

Forms Trial Feedback Sheet

The information given in this feedback is confidential and only used for academic research at the Institute for Work Based Learning.

Researcher: Dr Mike Howarth Associate lecturer, Programme Adviser IWBL. (m.howarth@mdx.ac.uk)

Supervisor: Molly Bellamy, Curriculum Leader IWBL. (m.bellamy@mdx.ac.uk)

Please provide comments (to this qualitative data collection design questionnaire with an open - ended structure) on the following instructional design themes:

Speed of information acquisition

How long did it take to discover your tasks for your 6th May submission deadline:

a) From the Handbook?

b) From the Quick Start Guide?

Please comment on the advantages or disadvantages of using the Quick Start Guide cover sheets to organise your submission?

Usability

Easy of use of the Forms: *(opening them on your computer, printing out, using the Reader)*

Easy of use of the Registration Form: *(adding credit scores, comparison with paper version etc)*

Listening to the client

Your ideas to make improvements to the forms:

Your ideas to make improvements to the WBS 2811 or 4811 Handbook

Any further comments?
